

Sports Equipment for Ghana

As you may remember, in 2007/08, we collected Sainsbury's Active Kids vouchers on behalf of The King's School in Ghana, as a way of showing our love and support for others not so well provided for as ourselves.

With your help, we collected over 8,000 vouchers, enabling us to purchase the best equipment pack available. The equipment has now safely arrived in Ghana and is being enjoyed by the pupils there.
