

Reward trip to Drayton Manor Park

On Thursday 15 April, around 50 pupils were rewarded for their hard work and effort in lessons with a trip to Drayton Manor Theme Park in Staffordshire. In spite of it being a very cold day, the pupils had an exciting time on the rides and stalls. Some faced their fears on the 'thrill' rides including Apocalypse, a vertical tower drop and Shockwave, a stand up rollercoaster. Others got very wet on the rapids and Stormforce 10, a reverse chute water coaster! Much fun was had by all, and many happy memories made!
